6. Submission of Application

Applicants for NCCCO Practical Examiner workshops shall provide at least 48 hours (2 business days) notice in writing of any request to cancel their registration. Substitutions of qualified applicants are permitted so long as their application has been submitted and approved by NCCCO at least 48 hours (2 business days) prior to the start of the workshop. If an applicant fails to provide proper notice to cancel or substitute, or fails to show up for a workshop within 10 minutes of the scheduled commencement time, the applicant will be subject to forfeiture of all fees paid.

From time to time, NCCCO Practical Examiner workshops may be cancelled or rescheduled because of limited enrollment, equipment issues, or for other reasons. In such cases, NCCCO will endeavor to provide you with (but cannot guarantee) at least one week's notice of any changes. Please take this into account when making travel plans.

Attendees at NCCCO Practical Examiner Accreditation Workshops are required to re-take and pass the Practical Exam(s) for the category(ies) in which they hold NCCCO Certification and wish to receive accreditation as a Practical Examiner. These exams must be conducted in the presence of an NCCCO Auditor and will be administered during the audit. Attendees will have 2 attempts to pass the Practical Exam. Failure to pass the subsequent Practical Exam(s) will result in the revocation of your NCCCO Certification for that category.

By signing this application to attend a Practical Examiner Workshop, you acknowledge that submission of this application does not guarantee admission into the program. You further understand that your participation in the Practical Examiner Accreditation Program and performance in the workshop activities must meet program expectations in order to receive accreditation, and that failure to meet those expectations or to follow NCCCO policies may result in denial, suspension or revocation of any Practical Examiner Accreditation status. Finally, by signing this application, you represent that your statements in this application and those in any required accompanying documentation are true.
